Year 6 and Year 2 SATS - The Year 6 pupils worked incredibly hard last week sitting their end of key stage SATs. Although the results won't be found out for some time, we are really proud of all the children and know that they each did their very best in each and every test. Year 2 are sitting their end of key stage SATs this week. So far each of them have put in their very best and are busy demonstrating all the hard work they've put in this year.

Walk to School Month: June 2018 – Why should I walk to School? By walking to school you will:

- Get fitter
- Feel better
- Be more alert
- Help to save our environment

Walking is the greenest form of transport, you can actually help the planet by walking and cleaner air is better for us and our planet. Did you know that by walking to school, you could arrive calmer and more prepared to work? Walk, scoot or cycle to school during the month of June and enjoy a happy start to your school day. There is plenty of space in our bicycle shed to store your bicycle or scooter securely during the day. Pupils who walk, scooter or cycle for at least 15 days during the month of June, will receive a special certificate. We hope that by more pupils walking, it will also help to alleviate the car congestion outside of our school, in the morning and afternoon.

Wonderful Writers and Marvelous Mathematicians We have continued to celebrate our Wonderful Writers and Marvelous Mathematicians. These are the Writers and Mathematicians who have received certificates in our assemblies over the last few weeks.

Our Wonderful Writers from the 18th April were: Oliwia (Owls), Amber (Otters), Alex (Squirrels), Mia (Foxes), Alexis (Rabbits), Dexter (Badgers), Avery (Hedgehogs), Natalia (Kingfishers)

and from the 2nd May were: Harry (Owls), Taylan (Squirrels), Evelyn (Foxes), Soraya (Rabbits), Molly (Badgers), Jasmine (Hedgehogs), Frankie (Kingfishers)

Helpful hints from Mrs Harmsworth:

Getting enough sleep – it can be so hard to gauge whether our children are getting enough sleep, especially if they never seem to tire. However, children don't necessarily slow down and show signs of sleepiness like adults do. In fact, sleepiness in children can actually look like hyperactivity as they often wind up rather than down. As much as children may resist bedtime and say that they aren't tired, it is really important to be consistent with bedtimes and bedtime routines. Not getting enough sleep can have a big impact on a child's day, especially a school day when they need to concentrate. There are lots of fantastic websites that can tell you how much sleep children need (with a breakdown of ages) as well as useful tips on effective bedtime routines that promote good quality sleep. I found the following website to be really parent-friendly, it includes tips for shift workers, jet lag, children and parents: sleepcouncil.org.uk
Happy sleeping everyone!!
