

Beck Row Primary Academy partial opening during COVID19 Home Academy Agreement June 2020

Key Themes	Beck Row Primary Academy will:	As a parent I will:	As a Pupil I will:
Drop off and collection of pupils	From June 8 th , stagger the day to allow a safe passage into the Academy for the children.	Make sure that I bring my child within the allocated times.	Stay with my adult when I am dropped off at school and collected.
Safe zones in school	Ensure that markings, to ensure social distancing, around the school are clear.	Drop off and collect from the allocated areas ensuring that I abide to social distancing rules at all times.	Stay in my safe zone with my adult, following marked routes.
Groups	Create groups with no more than 15 children.	Talk to my child about how the school may be a little different as the phased re-opening starts.	Stay with my allocated group.
Break times and lunch times	Make sure that the groups do not meet by staggering breaks to avoid larger groups. Each group will be allocated areas and times to use. Provide a healthy lunch for all children.	Maintain the 2 metre social distancing gap between myself and others at all times and remain within the designated area. Access the school meals for the days that my child is in school.	Enjoy my time outside but will play games which do not involve touching others. Eat my meals sitting in my place.
Adults	Keep a consistent teacher or teaching assistant to one group, where possible.	Make sure that only one adult brings and collects my child/children.	Stay with my allocated group and adult.
Contact with staff and parents	Inform you of any issues in school as quickly as possible by email, text message, the website or phone. The staff will be available to answer queries during school hours by phone, via the office.	Call or email school with any concerns that I may have. If there is an emergency, use the office phone to relay any concerns. If meetings are needed to be held in school, these will be by appointment only and following social distancing rules. Be polite and courteous to staff at all times, understanding that staff are working hard at all times to minimise risks.	
Cleanliness	Ensure that we have soap and hand sanitizer readily available and that regular handwashing is insisted upon. Provide children with all the equipment that they need in a personalised pack so that they do not need to share. Make sure that environments are kept clean.	Make sure that my children are kept clean with a daily change of clean clothing. Make sure that no personal belongings are brought to school. Talk to my children about the need for high levels of hygiene.	Wash my hands when I am told to. Sneeze and cough into a tissue and put the tissue in to the bin straight away. I will then wash and sanitize my hands. Bring nothing to school with me. Try to keep some safe space between me and my friends. I will use my new equipment and look after it.
Social distancing and safe behaviours	Insist on maintaining distance, as much as we are able, and maintain high levels of hygiene for all members of the Academy community and the environment.	Talk to my children about the need for high levels of social distancing. This includes not hugging, holding hands, sharing their drinks/food, spitting etc.	Be respectful to all members of the school community. I will keep my friends safe by not hugging them or touching them.
Illness and symptoms	Inform the parents of the group of children should one of them display symptoms and advise on self-isolation for 14 days and testing. This includes the adult displaying symptoms. Call parents to collect individual children, should they be ill in any other way.	Keep my child off school if they display symptoms or if they are ill. Call school to let them know that my child will not be in and why, as soon as possible.	Tell an adult straight away if I feel unwell in any way.
