

### **Pen Portrait – Sarah Mower**

Upon leaving school I joined a local company who work in the International petrochemical and oil industry, currently holding the role of Sales Manager and 2020 will see me celebrate my 20<sup>th</sup> year with the company. I have held the position of parent governor since being elected in January 2018 and my aim and intention has always been to be the voice of a parent on the governing board. I have 2 children at Beck Row Primary Academy, both have attended since Early Years and one of whom has special needs, therefore I have a keen interest in the inclusion of SEND children within mainstream school. I attended Beck Row County Primary, as it was then known, and have lived in Beck Row the majority of my life. I have well established links within the community, running events and fundraising, I currently serve as secretary on the committee of Beck Row Pre-School and also as secretary on the school PTA, Beck Row Buddies. I like to think I have a good relationship with other parents and the school itself and know the importance of parents opinions being expressed and being able to be approachable.
